NHIAA CODE OF ETHICS

Definition of Sportsmanship.

The ideals of good sportsmanship, ethical behavior and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior, which are characterized, by generosity and genuine concern for others.

An awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity.

In order to promote desirable behavior and enhance the overall quality of secondary school athletic programs for which the NHIAA has assumed responsibility, the following Code of Ethics is in effect:

It is the duty of all concerned with secondary school athletic programs to...

1. Cultivate awareness that participation in high school athletics is part of the total educational experience.
2. Emphasize the proper ideals of sportsmanship, ethical conduct and fair play as they relate to the lifetime impact on the participants and spectators.
3. Develop an awareness and understanding of all rules and guidelines governing competition, both in letter and intent, and to comply with them in all activities.
4. Recognize that the purpose of athletics in school programs is to develop and promote the physical, mental, moral, social and emotional well-being of individual participants.
5. Avoid any practice or technique which would endanger the present or future welfare or safety of a participant.
6. Avoid practices which force students to specialize, or which restrict them from participation in a variety of athletics.
7. Refrain from making disparaging remarks to opponents, officials, coaches, or spectators in any aspect of school athletics.
8. Encourage the development of proper health habits and vigorously discourage the use of chemicals, including alcohol and tobacco.
9. Exemplify proper self-control at all times and accept adverse decisions without public display of emotion or dissatisfaction.
10. Encourage everyone to judge the true success of the athletic program on the basis of the attitude of the participants and spectators rather than on the basis of a win or loss.
11. Treat opposing team members and officials respectfully and encourage behavior, which will create positive relationships between schools.

ATHLETIC POLICIES FOR THE PITTSBURG-CANAAN ATHLETIC COOPERATIVE

Any student who plays on a Pittsburg/Canaan athletic team represents first and foremost themselves but also both Pittsburg and Canaan Schools and their communities. Proper dress and behavior is expected on bus trips, at game and practice sites, and in any public place both during and after school hours.

Alcohol, Tobacco, and Drug Policy (Refer to individual school's policy)

Alcohol, tobacco, and drug use by minors is illegal, dangerous to your health and can decrease your physical fitness. Pittsburg and Canaan Schools views the use of alcohol, tobacco, and drugs as a serious matter.

Athletes are not to drink alcoholic beverages. Any athlete observed drinking, under the influence of alcohol, in possession of alcohol, or found to be in the presence of other minors doing so during a sports season will be subject to penalties.

The use of tobacco by student athletes in any form, including smokeless, is prohibited. Any athlete observed to be using tobacco products, under the influence of tobacco products, in possession of tobacco products, or found to be in the presence of other minors doing so during a sports season will be subject to penalties.

The use of drugs by student athletes in any form, including prescription medication for non-medical reasons, is prohibited. Any athlete observed to be using narcotics, illegal drugs, or legal drugs without a valid prescription, under the influence of said items, in possession of said items, selling said items, or found to be in the presence of others doing so during a sports season will be subject to penalties.

In addition to legal penalties, Pittsburg-Canaan athletes face the following penalties for all alcohol, tobacco, or drug offenses:

1. A first offense will result in a three game suspension. The athlete may practice and attend games with the team during the suspension.
2. A second offense will result in the athlete being ruled ineligible for participation in any sport for 365 calendar days.

Attendance

School attendance is required for all athletes on days of games and practices and players must arrive on time to school the days following games. This includes being present the Friday before a Saturday event. Unless given permission by the principal, a student who is not in attendance on the day of a game or practice will not be eligible to participate. Students with a valid excuse for being absent on a game day or practice day should contact the principal or athletic director prior to that day.

Detentions

Student athletes are expected to attend any and all assigned detentions. Detentions that result in missed practice and/or game time may be punished with either extra running, (or other conditioning activity), and /or loss of playing time at the discretion of the coach. Repeat offenders will be subject to loss of playing time.

Any student athlete that skips an assigned detention to participate or attend a game or practice will be suspended from the next regularly scheduled athletic contest.

Athletic Travel and Transportation

Team members are required to travel to and from athletic events, including practices, via transportation provided by the athletic cooperative. Parents may request that their child return with them by speaking to the coach after the conclusion of the event and then signing them out. At the beginning of each season parents may provide to the principal a letter listing which other adults their son/daughter may be signed out by after athletic events. These letters will be forwarded to the athletic director who will generate a list for the coach. Any other travel or transportation requests must be addressed to the athletic director or principal prior to the day of the game. The athletic director or principal will then notify the coach of approval. All requests must be in writing. Under no circumstances will a student be allowed to ride with another student.

Bus Rules

The school bus is an extension of the school, and all school rules and regulations, which pertain to student conduct in the schools, are applicable to athlete conduct on a school bus. In addition:

No food or drink is to be consumed on the bus. The only exception to this is if when the trip is extended in length or when restaurants are unavailable for stopping. No food or drink is to be consumed while the bus is in motion.

No shoes with cleats should be worn on the bus at any time.

The coach is responsible for discipline on the bus. If there are two coaches on the bus, one will sit in the back of the bus and one will sit in the front. If there is one coach, he/she will sit in a seat which best allows them to monitor all student athletes.

The bus driver is ultimately responsible for safety of the bus riders. The driver is in complete charge of the bus and his/her decisions and requests must be followed.

Eligibility

Any student athlete who has met all of the requirements set by the Pittsburg and Canaan Schools administrations and the NHIAA is eligible to play any sport offered by the Pittsburg-Canaan athletic cooperative. Student athletes are required to maintain good grades and behavior. The

academic policy states that a student must be in good academic and disciplinary standing as determined by the principal. Repeated disciplinary referrals could result in removal or suspension from the team.

A student in grades 7-12 is eligible to participate in extra-curricular activities if he/she is passing all classes at the end of their school's marking period. No grade may be less than a 70%.

No pupil who has failed more than one (1) unit of work during the school's previous grading period shall represent the school in any interscholastic contest. A minimum of four (4) units of work per grading period is required for participation in interscholastic athletics. Recognizing that schools are increasingly moving away from the Carnegie Unit/seat time hours for instruction and grading, it is expected that the school principal will follow the intent of the NHIAA Scholastic Standing By-Law when certifying academic eligibility for student athletes.

Student's eligibility or ineligibility to play will be determined on the date of distribution of report cards.

Incompletes: Incompletes are not to be considered passing grades for purposes of eligibility.

Special Education Students: Students receiving service under I.D.E.A., 89:313, R.S.A. 186: C and related State Board of Education regulations, to include students receiving service pursuant to Section 504 of the Federal Rehabilitation Act of 1973, may be declared academically eligible by their principal provided that all other eligibility requirements are met.

Below grade nine students who have been granted a below grade nine waiver will be expected to maintain the same academic standards set for high school students.

The principal has final determination as to eligibility under these rules.

Hazing and Bullying (Refer to individual school's policies)

Refer to individual school policies attached as appendix.

Once the athlete is determined by the administration to be bullying the following consequences will be followed:

1. A first offense will result in a one game suspension.
2. A repeat offense will result in dismissal from the team.

Insurance

Pittsburg and Canaan require all student athletes to be covered by health insurance or student accident insurance.

Missing practice or game events

Missing practice or a game for appointments or work is not excused. Absences are only excused for the following conditions:

- An obligation to your immediate family, *with prior notice to the coach*. This would include family vacations or holidays.
- A scheduled medical appointment or immediate debilitating illness. Medical appointments with a note from the doctor will be excused. In the case of an immediate, debilitating illness, effort should be made to notify the coach prior to the scheduled practice or game.
- Participation in a school related activity, e.g. field trip.

Skipping or missing practices will not be tolerated and may be dealt with through extra running, (or other conditioning activity), and/or loss of playing time. More than two unexcused practices during the season may result in dismissal from the team.

A player who misses any amount of practice time, even if it is excused, is not guaranteed or entitled to playing time upon his/her return to the team. Players missing practice hurt the entire team. Please make decisions that include everyone's best interest. You are part of a team.

Physicals

Pittsburg-Canaan requires all student-athletes to have a sports physical, or its equivalent, in grades 3, 5, 8, and 10. In addition, if there is a significant injury or illness athletes may be required to undergo an additional physical before being cleared to play. Further medical check-ups may be requested at the discretion of the school nurse. Updated sports physical information must be on file with the school nurse prior to athletic participation.

School Equipment

Uniforms and equipment will be issued to athletes who participate on a team. Each athlete is financially accountable for all equipment and uniforms not turned in at the end of the season. Upon the conclusion of the season athletes will be given no more than five school days to turn in all uniforms and equipment. If the uniform and equipment is not turned in, the athlete will be charged the current replacement cost. If payment is not received within 30 days of issuance of invoice, the athlete will be suspended from further participation in any sport offered. Reinstatement may only occur after the athlete and parents/guardian has met with the principal and athletic director and all financial obligations are met.

School Suspensions

Pittsburg and Canaan athletes are expected to know and adhere to all school rules. If an athlete breaks a school rule that results in school suspension, there will be additional consequences.

Any player suspended from school will also face a team suspension unless there are mitigating circumstances. Team suspensions will range from one to three games. Athletes will not be present at any practice or game while suspended from school. This includes in school suspensions.
